“ We would like to express our sincere condolences to you and your family. Debbie was the best neighbor you could ever ask for. Always enjoyed the chats we had in the yard while Debbie was working on her flowers and plants. She surely will be missed. Our hearts are saddened by your loss and our thoughts and prayers are with you.

“ *Debbie, it seems like yesterday we were sitting beside each other at Brice's game. Always shining bright like a diamond, I never knew you were ill and you looked stunning as usual. The best Thanksgivings were with you. Thank you for opening your home with such joy and laughter. 3 months ago, I lost my grandmother on Wednesday19th, and now you gained your wings on Wednesday19th. I am deeply sadden and hate I wasn't able to say goodbye. To the Thompson and Johnson family, my prayers are with you and my condolences. Rest in peace sweet Debbie.*

“ *Dear Johnson Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. "There will be a resurrection of the righteous and the unrighteous " May you have peace as you think about this beautiful hope for the future.*
