“ If you know "candy" you know she don't hold her tongue for nobody and she mean business lol. she will be missed I'm glad my grandad meet her and I had an opportunity to have a grandmother like her in my life. she took care of me since I was toddler it was never a boring moment with her once she get her recorded playing it was time to party. She use to love for me to play in her hair for her to go to sleep while we watched scary movies. fun times and good times. Gone but never forgotten. Love you candy💛❤️
