“*Mrs. Toney was very special to me. We met in January 2010 when I was hired in the same unit as she was. I was just 24 and nervous about my new career. She was kind and so sweet to me. She encouraged me, even when we no longer were in the same team. She always kept up with me and motivated me. I honestly believe I wouldn't be where I am in my career without her. I wanted to share a photo of us participating in the Kaiser Run. Much love to the Toney Family.*

“ To the family,

Deborah and I met through my cousin a few years ago. She and I came to know each other by what we called the blessing of God. We grew to consider each other sister friends. Her most recent text to me let me know how much faith and love she had in In our father. She shared that all was well with her soul. Family find solace in knowing she was at peace.

We prayed together and for each other. I thank God for allowing me to get to know such a strong faith warrior ...a beautiful, spiritual God fearing woman. Deborah has earned her wings..glory to God for her life well lived.

“ *I worked with Deborah at Fulton County DFCS. She was an honest and quick witted person. We laughed together so much. I always think of her smiling. I teased her about her memory for details even when you knew she was accurate and not you. I appreciate the friendship and treasure the memories forever. I am thinking of Horace and Julianna. My prayers will continue. It's been a rough three days knowing she is gone. May she Rest in God's loving hands and arms of her son Austen. Miss You dear Friend.*
