“ Ms. Deb will truly be missed. She always made sure my kids and I were ok. Ms. Deb was more than a friend, she was more like family. I am saddened because she was so excited to share my special day with me and my fiancé, and now she won't. I will always love Ms. Deb for her free spirit and ability to keep a smile and laughs no matter how she was feeling. I miss you and love you always Ms. Deb. God bless your family

“ *I remember when I first met her, she was so funny and she treated me like family. She fell inlove with my youngest son Scoop and every Friday when I lived in GA she would pick him up from Daycare and keep him. I will always cherish the memories that we shared and our fun times together.*
