

Debra Diana Patterson

November 4, 1954 - October 27, 2022

Debra Diana Patterson was born in Gadsden, Alabama on November 4, 1954, to the late Clara Patterson Williams and William Grissom. Debra, affectionately known as Ann, graduated from Emma Sansom High School in the class of 1973.

Following high school, Ann remained in Gadsden until enlisting in the United States Army in 1982. Seven years later, while stationed in Germany, she welcomed her beautiful daughter Anneishia in 1989. Throughout her more than 25-year career, she became a well-traveled Sergeant stationed in Texas, Georgia, Maryland, and South Korea. Once she retired from the United States Army, Ann became an avid shopper and foodie. She taught us the importance of rest, as she could also be found enjoying a nap. In 2020, she relocated to Charleston, South Carolina to become Mimi and introduce her favorite granddaughter, Sevyn Ayn, to the good life of shopping and enjoying good food.

To carry on her legacy, Ann leaves her daughter, Anneishia Patterson-Calhoun (Daron) and grandchild Sevyn Ayn Calhoun. Her siblings, Kevin

Williams (Cathy), Jacqueline Perkins (Tony), Darryl Williams, Christopher Williams, Rhonda Moore, Vincent McCraney, and Fernando McCraney continue to cherish her memories. She also leaves a host of nieces, nephews, great-nephews, cousins, and close friends to honor her life.

Service entrusted to Gregory B. Levett & Sons Funeral Homes & Crematory;

“ I have such wonderfu memories of Ann and I, and our daughters who have been friends since maybe 1st or 2nd grade. Our very colored conversations about life and our expectations. One thing I know is she always kept it on a hundred, not afraid of speaking her mind. Just the thought of her not being here, saddens me becaue of the love I know she had for her daughter, granddaughter, son-in-law, and family. She will be missed! Family, please know that you are continually in my prayers, and if there is anything Chelsea, or I can do, please do nothesitate to call upon us. Vanessa Jackson & Chelsea Cooper, Baltimore, MD
