“ I worked in the same office as Debra for years and she was always so kind, asked about my daughter everytime I saw her, and always had a smile on her face. I did not know she passed until today since I was on maternity leave at the time and I am so saddened to hear of this. I pray for peace and comfort for family and friends. God Bless

“ Dear Paul Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “. May the love and support of family and friends comfort you greatly during this difficult time.
