“ Our prayers and love is with you...as all of us gather together to celebrate the life of Debra, rather in person, online, or thought let us thank The LORD for her compassion, laughter, love, kindness, sharing and caring heart for she cared for so many even outside the family were she was Blessed with the skills and talents to do so and she fulfilled that destiny. To be absent from the body is to be present with The LORD and as the Woman of GOD she is ...we know who she is with and that is with GOD.

Lets allow our hearts to continue to hear her voice and memories continue to fill us with laughter. Anointed, Blessed and full of Love she always will be.

Love you family, your cousins
