*My condolences, Honey's Son and Peanut
Travel well kinfolks, I'm sure that she Debra entered through the
narrow gate !!!!! In family life, love is the oil that eases friction, the
cement that binds us closer together, and the music that brings
harmony.*

The Narrow and Wide Gates

*13 "Enter through the narrow gate. For wide is the gate and broad is
the road that leads to destruction, and many enter through it. 14 But
small is the gate and narrow the road that leads to life, and only a few
find it.*

Sincere condolences to Debra's family. Debra was my classmate from elementary school through high school. I'm so glad that I got a chance to reconnect with her this past Christmas. We reminisced about the good old days and shared a beautiful reunion with our old friends. Little did we know she would gain her heavenly wings a month later. Our meeting again was surely divine. Debra had a beautiful alto voice, and I have so many fond memories of us singing together at Oglethorpe Elementary and BTW. Rest in heavenly peace dear friend ♥

“ We were classmates at Bennett and sang in the Bennett College Choir together. I remember us going on tour and singing at Morehouse College. We always had a good time and made lots of memories. As freshmen, I loved hanging with "The Georgia Girls". Debra Tolls will always be one of the special Belles!!

“ I worked with Debra at Macy's a few years before she retired. When I learned I had cancer, Debra called me and walked me through the long process ahead. She told me to expect that my surgery would be four months from my diagnosis. She hit that on the head - Dec 18th to April 15th. I will forever be grateful to her for giving me words of wisdom and comfort. it definitely got me through that period in my life. I am so sad knowing that Debra is not on this earth, but I do expect that I will see her again. My prayers go out to her family and friends.
