“ *To the family, Deidre was a woman of many talents. She always participated in whatever we had going on at the church. She had her own way of doing things which turned out to be quite interesting and fun. I am going to miss her phone calls always at the last minute to tell me she is on her way but what is the address. I loved watching her as she would bring her mom (Ms. Rome) to most of NJBC'S events. I will always remember, Mother & Daughter always together. Deaconess Edwina Pettway*
