“ A warm heart, a kind spirit and a wonderful friend. Some people get the privilege of knowing individuals for many seasons of their life, for you, it was in the winter season of yours but every moment was special. When the VanDyke Family says Fight...Win...Survive it is meant to be an encouragement in life, but the same words have the same meaning in death because of what our Lord and Savior Jesus Christ did for us on Calvary. He fought a world of sin, He won the battle of death and because of that we will survive with eternal life to see each other again! Carolyn VanDyke and Family

“ To the Martin families, you are in our prayers as God is the ultimate source of comfort and consolation. The memories of her warm spirit and hospitality will always be remembered through the years as being close friends to her sons. I will always remember her as Sis. Martin. To the Martin children, grandchildren, & great-grandchildren, be inspired and cherish the memories of a wonderful lady who has meant so much to family, friends, co-workers and others.
