“ Hello Crystal and family, We are so sorry for your loss. A mother's love is always with her children. Losing a mother is one of the deepest sorrows a heart can know. But her goodness, her caring, and her wisdom live on like a Legacy of love that will always be with you and your family. May that love always surround you and your family now and always bring you Peace... Sending lots of Love From; Bryant and Cheryl Martin and The Martin and Miller Family!!!

One of My husband and I favorite memories of your mom is when she came and took pictures of our wedding. It is some of the best pictures that we have. I also remember her on the dance floor!! O.M.G. She really got down on the dance floor. She was a good dancer. She made everyone else get up and dance. L.O.L!!! (I have the video some where in here). Your mom was a good person and one thing that I know about her, is that she always kept it real and spoke what was on her mind. She will Truly be Miss and my family will forever keep you and your family in our prayers. May God Bless The Maddox family!!

“ We are truly sorry for loss your family has encountered. Our father of tender mercies has himself experience the loss of a love one, pour out your heart to him in prayer concerning your personal grief. Thinking of you all.
