“ Today my family embarks on something most family can't even dream of but God has a purpose for all things even if we don't understand. To my auntie we can never understand if we have not had to bury a child but allow us all to be your strength today. To my nanny God is holding you up and we all see real strength looking at you. I don't really know what to say my heart is heavy and I still.dont believe it. Love you cuz.....
