“ I am truly hurt. I have been searching for Mrs. Richardson for years. Something just told me now at 2:07a.m to Google her to reach out. We lost contact some years back. I have been trying to reach out to her school email. She was my 3rd and 4th grade teacher in 1998 and 1999. She was my school mom. I seen her last around 2012, when I so happen to just go up to hambrick and see if she still worked there. I had not seen her since the 90s and they called her to the office and we both just cried! I am completely heart broken. I will always love you!

“ We would like to extend our condolences to the family. In just a little while all of the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy, because the former things have passed away. Sharing your sadness.
