“ *I had the great good fortune to work with Derek several years ago while I was serving as a project manager for Carter & Associates (his employer). I was stunned to learn only today about his sudden passing. Derek was a good man and a valued colleague. He always had a smile and a kind word in almost every situation. He will be missed by all who knew him.*

“ I'm so sorry to hear about Derek. I worked with some years ago at Northridge Systems, where Derek was one of the most respected and well liked people in the company. I never knew Derek much outside of work, but I remember working with him so well that hearing of his passing leaves a real hole. My best wishes for the family. Derek's impact on this Earth will continue to be felt, I am sure.

“ James i'm sending you my heartfelt condolences. Although I have not communicated with you or Derek for over 15 years from time to time I would think of both of you and wonder how you were. About 2 months ago I went to facebook looking for Derek and did not find him. I pray God will help you and his family thru this difficult time. Remember the times you shared with him, let that be the memory you cherish.

“ My sincerest condolences to the family of Derek Darnell Davis. No matter who we are, losing a loved one in death is painful. The pain, grief and feelings of helplessness can be unbearable. At 2 Corinthians 1:3,4, the Almighty God invites us to look to him for the comfort and strength we need to endure these difficult times. He also provides a hope of the resurrection for our loved ones who have fallen asleep in death when he says that "all those in the memorial tombs will hear Jesus' voice and come out." (John 5:28,29)

So sorry to hear of this loss. Derek's mother and I were BFFs from the age of 13 until her death in 1978. I was one of his first baby sitter's. He never knew it, but I thought of him often. Rest in love Derek. Give your mom a big hug from Ella.
