“ *Derek is my brother from another mother...We grew up together in Royal Oak Township (MI). We both loved to rollerskate. Both of his sisters and his two brothers skated with me and my little brother practically everyday when we were kids. I'll never forget the day that he dubbed me "Slow Motion". He and his crew (Renee, Karl....) would swing by the house so that we could walk to the rink together...he said I was never ready...took way too long to come out of the house.... so he affectionately started calling me "Slow Motion"...lol... 40 years later people, including his momma, still call me "Slow Motion" and I still answer. I knew we had a special bond. When he graduated from high school he was given a pewter bracelet with his initials on it. It gave it to me as a token of our friendship. I thank god for his family-his sister and mom kept us in touch with one another over the years. I'll cherish the memory of the last time I saw him Thanksgiving at Renee's (some 7 or 8 years ago) and we spoke on the phone last year on Thanksgiving while I was having dinner at him mom's. I wish I had more time with him here on earth but I know we will someday meet again. Love you Derek, Slow Motion.....*

“ *Derek was that guy and coworker who makes the hallway comes to life when in passing. His greetings were always so authentic, passionate and loud (LOL!). I will miss his greeting when he says "Wha a gwaan Yard Man?"...translated as "What's going on Jamaican?" A true brethern is gone but will never be forgotten.*

God is the only one who can provide comfort in these times and although hard to understand at times, God's plan is the perfect plan. My thoughts and prayers are with you.*
