“ My prayers are with Mrs. Boochee and the children. Derrick was my classmate from Jr. High School(Hughes Quinn) until we graduated from East St Louis Lincoln Sr. High School in 1972. I never heard Derrick ever raise his voice at anyone. Every time I saw him he had the same smile. I was saddened to hear of his transition, however I know we all came to pass. Although it has been several years since I have seen Derrick I will always hold fond memories of my classmate until we meet again. Derrick sleep on and take your rest I plan to see you again when "the horn blows".

“ Derrick's basketball coach and his wife send our condolences to his wife and family. Derrick was one of the East St Louis Lincoln Tigers guard. When he came down the floor you could expect a 3 pointer before there were official 3 pointers. He was on the team that should have been a state championship team. Will always cherish our memories, RIP Tiger Derrick

“ Greetings and Blessings:

To the Lovely Family of Dr. Derrick Boochee, I send my heartfelt condolences to you during this difficult time. I pray that God's love, comfort, and peace carry you through this season. You are in my thoughts and prayers, and if there is anything that you all shall need, please let me know.

Dr. Derrick Boochee was a great, gentle, and awesome man, friend, and mentor. He was my administrator at Columbia High School, where he mentored and encouraged me along with countless others. This one has truly hit differently, because you meet many people, but to have a genuine relationship with a father figure such as Dr. Boochee was a remarkable man. He had a way of making everyone feel like they mattered and could be anything we wanted to be.

I just saw him late last year in Publix in Conyers on GA-20, but who would have thought that would have been my last time seeing him and the relationship still was the same? He gave that great, big infectious smile and said good to see you. As always, we gave a handshake and embrace and went on our way. Dr. Boochee, You got me with this one, but I am grateful for all you taught me and the wisdom you poured into me and others. I love you and will truly miss you.
