“ I think about you everyday.. I can not believe we not growing old together and being neighbors on the same street.. I miss you more than words can explain.. you are forever my brother.. I see this picture of you and I remember that day.. just like my coat you have on, I will always have your back.. I’m sorry I wasn’t there for you .. I should have brought you out here with me.. I will never forgive myself for that.. even though I know you understand, I still hear your voice with every thought.. Until we meet again bro..
