“ *Deryl became a family friend twice-over. His sister Eleanor and I have been life-long friends, raising our families together and enjoying our early career days. Then, Deryl connected again through my brother who worked at City Hall while Deryl was also working there. Their bond became solid and Deryl attended my brother's funeral in May 2021. Thanks Deryl for being a part of my journey. My condolences to your family and my good friend, Eleanor.*
Much love,
Marilyn Arrington
