“ *Devan was a victim of gun violence. He lost his life in front of our home. I never knew this young man or his family. I watched them breakdown in tears as they looked at the blood stained street where he lied. I made a cross and put it there. I want them to know how heartbroken we are and how it has hurt everyone on our street. We have been robbed of our happy homes as it will never be the same again. God bless us all as we face another day without Devan and so many others lost due to gun violence.* ”
