“ To my son...
DeWayne, you meant the world to me! I am broken without you!! We miss you! You are deeply loved by your family. There is an outpouring of tremendous support to us by family and friends.

Right now there are words that cannot come from my lips. The overwhelming emotions, sadness, and grief are things I'm experiencing. A mother's unconditional love is what I have for you and your sister. If I had super hero powers, and could move mountains or anything else to have kept you here... you know that I would. Although we know that's not possible. I trust God's plan.

Your young life on earth has ended. We cherish the time we shared with you. Your memories and our love for you will never fade. Rest with your Heavenly Father. We have joy in knowing we'll see you again!

Love your Mom,
