“ I truly miss my Wife and all we've done over these passed 17 years.. Dinah was a blessing to come into my life.. July 1996 at Roberts Furniture Store Decatur Ga. Dinah n I made arrangements to go on a date that same day. She inspired me to the fullest and never gave up. When times I knew she could've .. We're all not perfect.. We had our difficult moments in time. But we never stop loving each other. Most people didn't and couldn't understand our relationship. You just had to be there or just simply ask.. To understand. Either way.. I was there when she needed me the most as well her family and mine. I think of her everyday. Lately I've think she have been watching over me. The entire month of July , August & now September I seen dragonfliesConstenly it's been up lifting to me knowing she ok. Still watching over me. I will always love the love of my life. Thanks God for the awesome blessings memories you've left in graved in my heart and mind. Amen Anthony Raymond Morman

“ To the Family of Dinah Morman I am very sad to hear of her passing. My mother knew Dinah Morman years ago when they were teenagers and she told me a story of an act of kindness that Dinah did for her that separate her from the bunch. I am only sad that we didn't get to meet but perhaps one day. I am truly sorry for your loss. Romans 8:28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose

“ Dear family of Dinah Morman, This news was truly sad to receive. You had a great daughter, sister, and friend. Everytime I saw her she had that brilliant smile beaming and was so friendly. That is what I hold on to when I think of her homegoing. Although it's difficult today to see beyond the sorrow, May looking back in sweet memory help comfort you tomorrow. Sincerely, Carmichael August-Moultrie
