“ On behalf of the Carter/Crawford family, we extend sincere condolences to our very dear friends Geraldine Twine, Barbara and family on the recent passing of Dirk. Our families have shared many fond memories since the early sixties when the Twines moved to Tampa from Tallahassee, Florida. Dirk’s presence will be missed. His zeal for sharing information and knowledge on natural health care was greatly appreciated. To God be the glory! Much love, Lillie Carter, Linda Crawford and Dr. Monica Carter of Ann Arbor, Michigan.

“ We met through our mutual interest in healthy eating and martial arts. I had studied Tai Kwon do briefly, but I was an avid runner at that time. We loved discussing mysticism and other arts. He remodeled my kitchen following divorce and listened attentively to my stories of pain and offered support. He was a gift to all of us who claimed him as a friend and brother. God bless the family.
