

## Djeser Hedj-Re

February 14, 1989 - September 2, 2020

We've come together today to celebrate the life of Edward Geron Ellington Mayfield to reminisce the many ways he touched and enriched all of our lives, in ways that only he could do and then bid him farewell. On September 11, 2013, he embraced the African culture and changed his name to Djeser Hedj Re which means Holy Blessed Creative Force.

Djeser's sunrise was on February 14, 1989 and his sunset was September 2, 2020. He graduated from Stephenson High School in 2007. After graduation, he attended GA Southern for one year and later transferred to Atlanta Technical College where he completed his degree in carpentry and graphic design.

He blessed multitudes of people near and far, even as far away as London, England and Egypt (The Motherland). Djeser dedicated his life to the service of others and he was extremely passionate in educating and helping people. In his short time here, Djeser left a legacy beyond belief. Once Djeser set his mind to do something, he MASTERED IT! He joined Toastmasters, to enhance his oratorical abilities. He was chosen to compete in several competitions, where one would believe he rose to the top from the accolades that were bestowed upon him. As an accomplished author, his first book is called, "The Power of Ann". Djeser was a licensed barber, a carpenter/craftsman and owner of 9 Mind Creations. He was able to create your vision to perfection.

In assisting others, he helped his niece, Qa'hatet, create her QsurpriseU

Instagram account and her YouTube channel. Numerous children and young adults knew him as his Uncle "G".

In addition to teaching art classes, he trained young minds to play chess, also known as the game of life. He was known for that infectious smile and his presence always radiated warmth and love. Those who knew him will remember him for his pleasant and positive attitude.

He was an athlete accomplished in football, baseball and his attempts at wrestling.

Djeser served as a school bus driver in DeKalb County for five years ensuring that children safely reached school and home. Those children fondly called him Mr. Re.

Many are left to enjoy fond memories of Djeser – parents, Lue Ann and Edward Mayfield; sisters - JeNai (Ronald) Bethune, Nubi Ah Tun; brothers – Pehty T. (Kebehtet) Re, Andre Walker; aunts – Hellen Mayfield, Norma Samuels, Veda M. Hodge; uncles – Arthur Mayfield, Ray S. (Cynthia) Hodge; first cousins - Lisa Goodhope, Marcus Mayfield, A·Ra Hodge, Marcel Rainey, Michael Richardson, John Fisher, Armond Hodge, Akil Hodge, Jermaine Samuels; nieces – Qa'hatet N. Re, Aurora S. Bethune; nephews – DeAndre Woods, Nafur Baa Re, Sal Walker, Nafur Kaa Re, Miles Bethune, Brent Bethune, and a host of family and friends. He was preceded in death by his grandparents – Gertrude and Spencer Mayfield and Enid and Roy Hodge; and, Uncle Spencer Mayfield Jr.

Let us all remember Djeser as the person who could make your cloudiest day bright and your saddest day a happy one.

“ Djeser(Eddie)'s presence will be GREATLY missed here in the physical realm. With his gifting of art and building craftsmanship, he was definitely fulfilling his assignment to leave the WORLD better than when he found it. He also ALWAYS gave positive, insightful, and encouraging dialogue whenever he was in the room. Our family sends the highest UPLIFTMENT to his family, friends, and all who were blessed and PRIVILEGED to have known, loved, or even spent time with him. We will miss you IMMENSELY!!! Definitely one of the GREAT ones, and your fellow Heroes(HERUS) will carry your legacy forward as far as the wind carries us... Peace on your journey.
