“ *Words can't express the lost I felt when just a couple of hours ago I found out about my real homie,I have been calling and looking to talk to duck for months,today my spirit told me to Google your name,my heart can't take this pain,so I will keep this short,you know we have been down like four flats since day one in 1998,I will always keep those trill memories in my heart until we meet on the other side,my heart also goes out to Lexus and trey,if you ever need anything call uncle jass anytime,I love y'all like my own,470 5717225.God took a true and real solider home and left a gap down here that can never be filled without duck that don't give a _uck(smile)around.I loved that bro like my own brother,I will miss him dearly,anyone that rolled with duck and me please call me It would ease the pain to talk with another true duck friend,love Kenny Hudson aka jass.or email me jaszlove66@gmail.com.peace out*

“ Rest in peace my Brother. I am missing you already. It saddens me when I think about you being gone, but I still think about the good times and how we would just have fun and some good laughs. Your spirit lives on and I will see you on the other side. Peace until then.
