“ In the past two years I was afforded the opportunity to create countless memories with Donald N. Glover who we all knew as BO . I got to know BO for who he truly was , a light ! Though our time was cut too short too soon I will forever cherish what he shared with me and what we shared together . He changed my life more then he knew and helped me to grow . BO was caring , eccentric, knowledgeable , intelligent , selfless and most importantly he loved his family . My deepest sympathies to his children , family , to anyone who ever got to experience , and love BO . May we all be given the peace we are seeking 💕
