“ My name is Dana Hugle and I am grand daughter of Roosevelt Hugle and daughter of Dianne Grimmatt. Donald spent every Thanksgiving and Christmas with my family. He also was at our house on many celebrated family functions. He always told great stories and was a joy to be around. I don't ever think I seen him upset or in a bad mood.
He looked just like my grandfather. When things went wrong in our house we called Donald I took pride in knowing we had a plumber in the family who would come over at the drop of a dime. I loved my cousin Donald and he loved me. I will miss him

“ Prayers and a Spirit of Care given to my family by marriage. The Johnsons are beautiful, loving, truthful caring people. Kenneth Hugle and Donald were the best of buddies and enjoyed each others company in Columbus, Detriot and or Atlanta. Donald was a soft spoken person , always greeted you with a smile and a hug. He knew my parents Armster and Miss Nell from BTW apartments in Columbus, Ga. Rest in Peace my cousin.

“ I'm related by blood, I met Donald personally in 2017 when he moved back to Georgia! My beautiful cousins, his sisters Claudette & Cynthia made sure to introduce me and it was kindred spirit right away, he had history & stories about our paternal side of the family was very interesting and exciting to me! He wasn't a stranger, he fit right in!!! Sorry for our loss, so much more was inside him for us/me to learn and love about him!

*My deepest condolences to the family, may God's solace of comfort, peace & continued love for family be with you all!! I love you all,
