“ *I couldn't have been blessed with a better Brother-in-law to be there for my family and share his life experiences and try with all his might to enhance mine thru his humor, phone conversations, or just one-on-one good brotherly talks. I'll miss you Donald, you definitely enriched my life my brother. 😭*

“ *To my little brother Donald -*

I'm going to miss you so much. I'm going to miss calling and texting you and hearing the excitement in your voice telling me about your jerk food business and your plans for the future. It seems like just a few weeks ago you were telling me about your plans to retire to Costa Rica or the Dominican Republic not knowing that the good Lord had other plans for you to be with him to make juicy jerk for Mr. Sonny and Miss Winnie, Johnny Jr. and Glen. It hurts so bad to see you leave so soon but you're only going ahead of us. So until we meet again.

*Rest In Peace,
Beresford*

“ Bolo! I can still hear your nickname being called across the room, I'd go over to shake your hand knowing that you're going to challenge me with a firm grip and make a joke about how much bigger and stronger I'm getting. "Pep pep" it was your personal nickname for me. When I was younger I'd hear you calling me and I'd come running because I knew it meant we were going to play chess or watch a movie, go to the beach or my favorite go to Grand Prix to play Street Fighter and eat nachos on the way home. Remember when you decide to become the "jerk king" me and my boys would go down to the mechanic shop, one of the first places you started at in your car you sold to me. Trying out the new "secret sauces" you were cooking up. Whenever I reminisce on my good ol' days I will always remember you because you are a big reason why they were so much fun. To my Uncle my you rest in peace. Play games of dominos with Grandpa "Fadah" my dad "luckman!" and uncle Jr. Serve up some jerk with Grandma "Madah" in the kitchen and as life goes Lord willing we will all meet again. - Phillip

“ It is with is with tremendous sadness that we acknowledge the passing of our dear
Friend and Beloved Colleague and Brother, Donald Roberts.
We are still trying to come to terms with this tragic loss.
His unwavering support of the Atlanta Caribbean Jerk Festival , was not only as a Vendor.
He was also a strong and supportive Sponsor.
Before a single tent peg was driven into the ground, Donald was always at the event Location,
providing invaluable logistical and aesthetical input, as a member of the JerkFest Family.
His input was always welcome in the development of the events' final presentation.
The Caribbean community is enriched because of his knowledge and support.
We express sincerest Condolences to the immediate surviving members of the Family of Donald Roberts.
With continued Prayers for your Strength and Comfort

Cheriel Simmonds and The Atlanta Caribbean JerkFest Family.
REST IN PEACE DONALD.

*D dedicated Diplomatic
O outstanding Observant

These are some of the adjectives that I use to describe Donald

*Donald and I go way back in time; we shared many precious childhood memories which filtered into our adult life.
He was a very special person, God fearing, caring, fun loving dad to his daughters, a hard worker who was dedicated to his job, yet still found the time to encourage while maintaining. a charming sense of humor.*

I will hold on to our precious memories, the telephone calls, voice notes, texts and photos.

In my memory is where I will store them.

*The loss of a loved one is so hard to face; especially when it is someone who is well loved by siblings, children, family and friends.
Let us all console one another in knowing that he is in a better place
No more hurt, or pain he shall feel.*
