

Donald Anthony Wynter

April 6, 1961 - July 1, 2024

Donald Anthony Wynter, fondly known as "Danny," was born on April 6, 1961, in Kingston, Jamaica, West Indies. He was the firstborn child of Clinton George Wynter and Pauline Veronica Harrison (Buchanan), both of whom preceded him in death.

In 1972, Donald emigrated to the United States and settled with his family in Amityville, New York. After graduating from high school, he proudly served in the Army, where he received training in engineering, equipment repair, and maintenance. He was honorably discharged after his service in July 1984. Donald began his working at Transdev in September 2005, he was loved by his coworkers and passengers who looked forward to seeing him on his route each day. He remained an active employee until his passing.

With heavy yet grateful hearts, we bid farewell to a cherished soul, Danny, who departed this world on July 1, 2024. His presence graced our lives with wisdom, laughter, and unwavering love.

Danny was an extraordinary spirit, embodying resilience and kindness in all that he pursued. An unparalleled pillar of strength and compassion, his guidance and unwavering support were a beacon for all who knew him.

As an organ donor, Danny's journey continues beyond our embrace, and his

legacy remains etched in the memories of those he leaves behind. His laughter, compassion, and enduring spirit will forever be cherished and revered.

Donald is survived by aunts Claire Lawrence and Inez Payne, sisters MaeAnn Walters, Paulette Harrison, and Claudette Harrison, brothers Lascleave Wynter, Michael Harrison, Sherwin Wynter, and Kipling Wynter; children Joni, Christopher, Antonio, Christian, and Mariposa. Donald is also survived by his loving fiancée Sharon Booker, and a host of nieces, nephews, cousins, and lifelong friends who were also his family. Our lives have been forever enriched by Donald's presence.

May Danny rest in peace, as his memory continue to inspire and guide us through the days ahead.

Forever in our hearts, Danny's light shines on.

“ Dan, words cannot express how much you have meant to me. If the Lord had given the choice of a brother and given me all the brothers in this world, I could not have chosen anyone like you! I am so grateful that God allowed us to borrow you for a time, even if it's much too short. I have no idea what we will do with this huge hole left in our lives and our hearts but I hope you still get to watch over us. I love you with all my heart and I miss you so very much!!!

“ Donald a great man of God reunited with our father God his son Jesus and his wife in heaven. Donald was always laughing about something, you knew when his phone was ringing because that gospel ringtone would be on blast. He loved the Lord and now he's experiencing pure bliss. I was shocked when I heard he passed but I know all is well with him. He was always quick to lend a hand whether it be troubleshooting a car issue or just an encouraging word. Great man of God Donald Wynters enjoy heaven brother God bless you.

From the first time I was introduced to him, I called him Mr. Wynter, and no matter how many he told me to call him Dan or Donald I continued calling him Mr. Wynter, he always finds it very amusing. He and Marcia took my Daughter Christina and I as part of the family and so we became one big happy family. You were truly my family, brother, advisor my everything. I am expecially going to miss you on Mother's Day, when called to ask me "Angie what you and Christina giving me for Mother's Day's ". Our hearts is truly broken and know that you are truly MISSED. I will not say goodbye, but catch you later.
