“ I worked with Donna at EchoStar until company closed the Atlanta office. Donna was full of life and always ready to help.

*I will never forget all the effort Donna put for Christmas parties, Thanksgiving lunches, welcoming people coming for interviews, making new hires feel at ease at work, buying gifts for newborns of colleagues or sending out funny but stern emails to clean refrigerator at work on Fridays.*

*Donna's presence made a big corporate grind feel like a small company culture. Donna had best smile and awesome laugh. RIP Donna, you will be missed. 🙏*

“ It is with deep sorrow to hear of a dear friend’s passing. Donna and I shared a great working relationship and developed a friendship during those years. I’m sorry that we lost contact and regrettably found out about her passing by happenstance. My condolences to the family. May she rest in God’s peace!
