“ When I first met Donna, she was a close friend to the love of my life, Jackie Baker back in the late 70's. Donna finally allowed me & Jackie to spend time alone without her. I recently discovered that it was Donna who, in her mind, was the one who gave the final approval for Jackie & I to get married...lol... and I let her believe that story too. I also gave her permission to be Jackie's Maid of Honor in our wedding...lol. She and I always had great talks about our common friendship with Jackie. But we liked and loved each other like sister and brother. My heart grieves over her sudden transition, yet, I have the joy of knowing she is with loved ones that she longed for in heaven. We all should remember to cover and support her sons as she would have for any of us. We thank God for sharing Donna with us and allowing us to join together in celebrating her arrival in heaven! ~ Tim & Jackie Willis/Houston TX (Valdosta GA)

“ Donna was such a beautiful and our last conversation was during the holidays with us making plans for lunch. She always spoke of AJ and Braxton and how proud she was of them. I will miss her but know that the angels are rejoicing at her arrival.

Donna had a beautiful voice. She sang the class song at their 1977 graduation. One of Mr. Revels greatest sopranos and a great friend to my brother. Rest in Peace Donna.
