“ Donna it's still a shock to know you're gone. It's been a few years now that you found us on Facebook but we kept in touch often after that. We love you and are heart broken that you were taken from us. We talked about retiring in a few years and you wanted to come back home to San Antonio. Fly high sweet girl and live in peace. You are now home. Love you always. Your cousin Olga (Oggie)

“ My deepest condolences. I miss you. I wish we would've talked more. We grew up together and you were closer to me than my cousin, you were my beautiful and loving soul sister. ❤️❤️

“ Donna I remember when you worked at UPS and we would stay up all night laughing and dancing. You loved Bonjovi , we were so crazy. We would listen to (Steel heart) "ill never let you go", and you would cry everytime. Fly with the Angel's my friend.

“ I remember when we’ were kids and I use to always follow you around and I looked up to you , you showed me how to drive and I remember how much you loved to dance and the bands like journey, lover boy and Bon Jovi. We use to go downtown to the hemisphere plaza . Good memories. There are so many things I wanted to share with you and you were suppose to come down to San Antonio for fiesta and we were suppose to catch up and plan my wedding. I miss you and all the funny things you use to say to make me laugh. You were like a sister to me. Love you Donna . May you Rest In Peace . ❤️
