

## Donnetta Grady

March 14, 1953 - December 8, 2021

Donnetta Lisabeth Grady, age 68, passed away peacefully on December 8, 2021, after a brief illness. On March 14, 1953, she was born in Fort Meade, Maryland, to Donald and Naelmer Magline Anderson (Staten). She married her childhood sweetheart and love, Jerry Lamont Grady, who preceded her death.

Donnetta loved to love on people. She loved gardening, baking, cooking, and fattening people up. She never let you leave her home hungry or without a plate.

For many years Donnetta worked in-home health care and hospice in the local area. It suited her servant's heart. She said she worked in hospice because it helped her share her love with Jesus Christ while allowing people a way to transition with dignity. Her colleagues knew her as a candid and hardworking soul.

One of Donnetta's proudest accomplishments was being a foster parent. Her time as a foster parent began over 40 years ago. She had fostered over 25 kids through the years and was honored with an award from President Clinton.

Her life was a living example of her favorite Bible verse, Ephesians 4:32 -

"And be kind and compassionate to one another, forgiving one another, just as God also forgave you in Christ."

Donnetta is survived by her loving daughters, Carla, Lori, Alyssa, Melissa, and beloved son Devon, five grandchildren Shateria, Christian, Morgan, Aniya, Airyana, one great-grandson Logan, God Daughter Theresa Watson, and a host of cousins, other relatives, and friends. She was preceded in death by her parents, Donald and Naelmer Anderson.

“ Mommy buddie I know it’s been a while but I wanted to talk when I accomplished something. Thanksgiving, Christmas I missed you as well I was sad but now I come with news that’ll make you happy. I made the Presidents List at school can you believe that? I wish you were here so I could take you out and celebrate. Honestly I’ve been struggling for a couple months I hope everyone understands usually I am at the top of everything and trying to provide for other people and keep up with other payments too but lately I haven’t been feeling like myself. Maybe it’s because I tried not to miss you so much so I stopped being myself hopefully they understand and I can get back on track now since I know I’m still making you proud aren’t I?

“ 3 years ago today I lost you, it doesn't seem like it was that long ago but I hope you're doing better up there. Love and miss you so much life for a minute seemed so pointless, but I've regained a joy it still doesn't fill your void but it makes me happier to know I can continue to tell stories about you to my son ☐☐ 🙏🙏 love you always
