“ Renay was the little mama in the family. I remember she always took care of the younger ones. Whether we were just hanging out together as a family on a Friday night or sitting on the lake all day on a Saturday, she always had her little switch and she always kept them in control (without having to use her little switch!). Renay was one of the sweetest people you could ever know and she was so pretty, downright beautiful! She grew up to be a beautiful young lady. She is irreplaceable for us but we know that as much as we love her, God loves her even more. He reached down and picked a perfect red rose to brighten the heavenly garden. Now she rests in the comfort of the Lord. It's going to be rough but with the Lord's help, we will make it. Gwen, Eric, Twins, Brother, Sister and all the rest of the family and friends who love her hold on to God. He knows. He cares. He will see us through this. Time is filled with swift transition. Naught of earth unmoved can stand. But we have to build our hopes on things eternal and hold to God's unchanging hand. We shall see her again.

“ *Renay was a true friend. I was in her wedding and she was in mine. We have been friends since high school. It's been hard not being able to call her and have our extremely long conversations and text messages. She will truly be missed. My condolences goes out to the entire family.*

“ Sweet Renay, you've gained your wings. Meeting you was a blessing indeed. I only knew you for a short while, but what I do know is that you loved your Falcons and you were more than what meets the eye - beautiful inside and out. The very essence of you was kind and very inviting. This definitely hurts that you were taken so soon, but I know that absence from the body is presence with the Lord and that does my heart some good. You are no longer suffering. Until I see you again, Queen.

With love,  
Ashley Cantrell

“ *Condolences to the family. Renay, was a great person, her bashfulness gave her the innocence of a teenage girl on her first day of highschool. She also had a funny side that would make everyone laugh partially out of shock that the joke was coming from Renay. When she was mad you knew it so everyone stayed clear. She was beautiful and always had to be dressed with the nails and toes to match. She will be truly missed.*

“ To Renay's family and closest friends: My heartfelt condolences go out to you during this sad time. It is never easy to let go of someone you may have known for all of your lives or during some of the most memorable moments of your lives. Renay is a sweet and gentle soul. She was always so friendly to talk to and rarely wanted much attention directed her way. I'm breaking all the rules of what she probably would want right now, but I would be remiss if I didn't acknowledge how much I enjoyed the days I spent with her. A few months ago, she, along with another friend of ours, met for lunch and had the best time. We laughed and caught up on our current lives and reminisced on the good times we shared. I knew her to be a proud mother and a hardworking woman... and so much more. I will truly miss Renay. Thank you for sharing her with all of us! My prayers will be with you throughout this difficult time. God bless.

“ Renay I know you're resting well in heaven and I'm happy although it's extremely hard not able to hear your sweet voice and see your beautiful face. I will never forget you because of your caring, loving, kindness, and thoughtfulness of so many people. We became friends in the late eighties and soon after being friends , we became sisters. You welcome my family to become a part of your family and we've been family since we became family. You and I have never had any fights and that's because of true love, honest relationship, and respect. You were one of the many blessings God gave me in my life and I thank Him. I keep thinking about you and I see you with those big pretty eyes just smiling. Renay I love you and will love you forever.

*For the rest of the family, I know it hurts but just hold on because surely God is there for you and will comfort you. I love you all. ❤️*

“ Renay was one of the most genuine, caring, conscientious, and dependable human beings I ever had the privilege of knowing. We would chat regularly and almost daily on WhatsApp whenever I travelled to Ghana. I enjoyed giving her a blow by blow account of events in Ghana and sharing videos with her. She was always glad to receive them, and I hoped she would visit the Continent one day. To the family, I am so sorry for this devastating loss. Rest in Peace, dear Renay!
