Little did I know Doreen that just around this time last year-this picture would have a much deeper meaning today. You made your mark & will forever be missed. Goodbye my friend. Rest in heaven

Medge, like you I am devastated to know Doreens kindness and unselfish sharing is no longer available. Although we crossed paths for more than 20 years, I only discovered today that she is no longer here to share thoughts with. Truly and deeply missed. (Please text me - Warren Nelson in London)

“ *Doreen, I miss you already... your sweet smile, your chic style, your words of wisdom and most of all your friendship. You will forever be remembered in our hearts, in the Th.U.S. friends group and of course on the dance floor. I hope you're continuing to dance the night away in Heaven and to travel the world as you so enjoyed doing. Thank you for sharing a part of your life with all of us.*

*Love,
Joelle*
