“ I was never honored to have personally met Doris Jackson, but I did have the pleasure of meeting her beautiful daughter, Davida. Davida has been such an amazing neighbor to my brother, Lee, who often spoke of the tender loving care she bestowed upon her mom. Doris was blessed to have such a supportive daughter. Please accept my deepest and most heartfelt sympathy from Ann Arbor, Michigan. Heaven has received a new angel who we know by name...Doris L. Jackson.

“ It is with heartfelt sympathy that I found out my dear friend, Doris had passed a yr ago. We worked together @ Citizens Trust Bank bck in the 80's& forged a lifetime friendship. We lost contact when I moved from ATL. It was my desire to go to her church & get bck in touch with her when I visited ATL, however the virus came & stopped in person services. Had I been able to go to her church I would have gotten the sad news earlier. I thought of her & decided to check the obits & there I found my friend. I wish so deeply that a family member will contact me @ 404-683-3890. Starling I think you will remember me. I remember you & your beautiful boys. I met your Grandma & daddy several times while hanging out with your mom. I was devastated when you lost your father, also my friend on Christmas Day. I know my friend is in a better place. God Bless you all!

“ *With deepest sympathy as you remember your love one. While words fail to capture the pain of losing a loved one. God sees everything, he hears the groans of the oppressed and revives the hearts of the crushed. May God sustain you at this time of great loss.*
