

## Doris Marie Ross

February 15, 1947 - April 19, 2026

Doris Ross was a loving mother, a devoted family member, and a woman whose warmth and presence touched everyone who had the privilege of knowing her. She carried herself with grace, strength, and quiet elegance, always offering kindness, wisdom, and comfort to those around her.

She found joy in the simple yet meaningful moments—spending time with family, sharing stories, and being a source of love and support. Her nurturing spirit and gentle heart created a lasting impact that will continue to live on through her family and all who loved her.

Doris will be deeply missed, but her legacy of love, resilience, and compassion will forever remain in the hearts of those she leaves behind.

Doris will be laid to rest in her hometown of Chickasha, Oklahoma, on May 9, 2026.

In lieu of flowers, the family kindly requests contributions to assist during this time. Contributions may be sent via Zelle using the information below:

“Doris was a gentle, soft spoken person who was admired for her demeanor and her ladylike manner, and she was always willing to help anyone who asked. I knew Doris for many years, and for a long time she drove me to our jobs as teachers. She went out of her way for me and for others, even when she did not have to, and that is something I will always remember.

All the teachers knew of her ability to connect with students who needed extra care and guidance, and she helped them make remarkable turnarounds. She had a special gift for reaching those who needed it most, and many of her students were changed for the better because of her patience and compassion.

As an adult, she carried herself with quiet strength and understanding, and she used those qualities to guide others in the right direction. Her impact on her students and on those of us who worked beside her will not be forgotten. My family and I send our heartfelt condolences and will always remember her with warmth.
