“ I offer sincere condolences and encouragement to the family. I'm sorry that your loved one fell asleep in death. May your hearts be comforted as you consider that God has already made provisions to restore dead loved ones to life. His Word assures us...The hour is coming when all those in the memorial tombs will hear Jesus' voice and come out. ~John 5:28,29. Jesus' words recorded at John 11:25 confirms...I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life.

“ I give my deepest sympathy to the family. The loss of a loved one brings great pain to the heart. Reading God's Word at this time can bring the family comfort. At Isaiah 25:8a it says, He will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces. It is comforting to know that not only will God completely eliminate death, but He provides the promise of a resurrection to life in Paradise on earth under His Kingdom. (John 5:28,29, Revelation 21:3,4) May these scriptures and others comfort and strengthen you at this difficult time.

“ My Mother in Law, Evangelist Mother Dorothy Flynn what can I say. I have been blessed beyond words for having her in my life. I look back over the book of Ruth as I think on her life. There are so many reasons for my thankfulness but God gave me an opportunity to see a true GODLY Proverbs 31 woman. It is hard to let her go, the timing seems so early, but weeping may endure for a night, but joy HAS come in the morning! She called her son, Robert, the priest of my home and my life, right after Mothers Day to attest to a dream of seeing angels and the joy in her voice of the glory of angels over her was ALL over her. She was so happy, and family members in town who saw her know better than us. We were in Texas when she called. Mother Flynn as she is fondly called, made her journey on this Sunday morning, her favorite day. She fought the good fight of faith, abounding over so much. The joy of the Lord was and IS her strength. She was a soldier in the army of the Lord and she retired on Sunday. Her joy is fulfilled because to be absent from the body is to be present with the Lord. All those who knew her KNOW that the joy she showed on that day before going to the hospital which was to be her last time, was a prelude to a grand finale.. She is dancing, singing and saying her favorite praise tongue, Hallaba! Mother Flynn I love you, I will miss you, but I will never forget you. Thank you for loving this daughter-in-law despite and in spite! Thank you for birthing and dragging to church your son Robert who is the Godly man he is today because of that start. You were the matriarch that put him on this path for God to use. As he tells me, he would go with one shoe on and one shoe off, as he would hide his shoes, BUT you were not having it! We laugh over this even now. I am thankful to God for your steadfastness through your many medical issues, pains, disappointments, and sorrow. Even with that your smile and your kind gentle spirit always echoed Keep praying baby... you would say. You are a role model of Godly virtue. Enjoy your crown of life dear Mother Flynn. It is my goal to see you again! Fare the well good and faithful servant! Carolyn Flynn wife of ROBERT FLYNN your beloved son
