Aunt Dorothy you were a mother to me when my own mother didn't take me, you took care of me and treated me no different than your own children, I will be eternally grateful. Rest peacefully in the arms of our savior my sweet Aunt Dorothy for you were my saving grace.

“ Dorothy was a special cousin to me. She always stayed in touch, welcomed me and my family whenever we stopped by, and somehow, even with all she had to do with her five children, always found time for us. My mother, Iris Hankin, was close to Dorothy and I learned firsthand why. Dorothy was thoughtful, kind, and generous. Whenever we stopped by, she always offered food and a million-dollar smile. Everyone who got to know Dorothy loved her. She was a genuinely good soul. She will be missed.

“ *My Dear Aunt Dar,*

You are so loved and will be missed. I Thank God for all the wonderful memories you have embraced to us all. You are a kind and beautiful soul who Loved the Lord with all you mind heart body and soul. You always will be dear and close to my heart. I have so many fond memories from childhood to adulthood.

When I was a child and came to New York for summers you always embraced us made us feel welcomed with Love good food and laughter. I remember sitting on the couch with dogs bigger than me and they were part of the family too! we had a lot of laughter and could not go to sleep until we watched David Letterman and would just laugh. I love you so much and you will be dearly missed.

I enjoyed and will treasure all the times here at Moms house where you and Mom and I sang all the spiritual songs and just talked about the Lord. My heart felt prayers go out to all the family and those that knew and loved her. May the peace of God and the comfort of the Lord bring peace to your hearts and your Minds. I love you all and wish I could be there.

“ *Mom you will be missed! You have been a support for me and my family for many years. I loved sharing countless moments with you on the couch watching shows with you and laughing about them, taking long strolls through your favorite supermarket and of course the malls (before Covid-19), casually watching you cook your meals for the day (I'm still not the great cook you were, but I try); listening to your funny stories, even if I've heard them before. I'll also miss hearing you sing, which you did on a daily basis ("Blessed Assurance" being one of them). We talked about the Lord and his goodness. We recently had a great day together a few weeks ago. We were singing with Sarah and praising the Lord. Right away it really perked you up, while you were singing about God's power. You were so strong, and I admired you for that. I know you are singing with the Lord in glory. Until, we meet again.*

*Love your daughter-in-law and sister in Christ,
Michelle*
