“ I extend my sincerest condolences to Ms. Perry's family and friends on their tremendous lost. I had the pleasure of working with Ms. Perry for 17 years at Georgia Regional Hospital, Atlanta as part of the Developmental Learning Center (DLC). Ms. Perry was a kind and gentle-spirited person that supported clerical operations for the center, always with a smile and determination to do what was needed. The kindness and dedication she consistently exhibited during her employment, will always be remembered as excellent contributions to the success of the program and individuals we supported. God has called another soldier home to be amongst his angels. God's strength to the family and friends during this difficult time. Willie Ingram
