“ Dearest Myron & Andria,
This is Susan Raymer. My husband Derek and I wish to send our heart felt condolences. We just heard about your sweet momma passing. Remember Derek & I bought the house you all grew up in when you all lived in Kings Cove. There are so many things that attracted me to your mom. She was kind, thoughtful. She had a beautiful smile. I remember sitting on the back deck at your house and our boys climbing the trees in your back yard. I remember your mom making us feel welcome and inviting us into her house for cake and coffee. I remember the laughter. All the good memories I will never forget. Derek and I are so sorry for your loss. However, your two guardian angels are once again reunited together again. There is no more pain or suffering. Wish I could see you. Let's keep in touch.

Derek and I have moved to Florida now. Andria, I'm gonna try to get in touch with you. Just know you and Myron and family are always in our thoughts and prayers.

Sending love and hugs,

Derek & Susan Raymer

“ *My dear Myron and Andria, I'm so sorry to hear the loss of your mom and my sister. Your mom Jean, the short time I knew her as my sister was truly a loving person. Yes she's gone too soon, where I wanted to reach out to her to continue to build our sister bonding. I will not be able to attend do to a bad fall that I had. So please accept my condolences towards you and the Sumpter family. Sincerely,
Your Auntie Maria*

“ Andria and Myron sending my condolences and prayers to both of you during this difficult time. I'm so sorry for the loss of your Mom. My beloved 'Jean' will be dearly missed, I will miss her laugh and her text messages to me here in South Africa. She has always been the epitome of class and grace and I have looked up to her since we first met!

My heart is broken because I can't make it to her celebration of life service but I have my last conversation in April to hold close to my heart.

*My Sincerest Sympathy to the Family,
Rena & Necho Webster*
