“ Wow just heard about our high school classmate and teammate Doug Wildman Almond. Like Larry Cobb said it's been about 20 years since we seen him. An excellent artist his painting of our Eagle mascot on the gym floor remained there for decades too follow. A true legend from our school he will be missed.

“ I played high school sports with Douglas at Murphy High. I remember his humor and his strength. I have not seen him in 20 years but I am saddened by his loss. I was literally brought to tears the last time I saw him because it just felt so good to be in his presence again. He always brought a smile to my face in school. I wish strength and resilience for his loved ones. I offer my condolences to you all. I close my eyes and see him still, as a 17 year old that I stood side by side with. I will miss his spirit.

“ It is with a sad heart to hear of the passing of one of Turner Broadcasting System (TBS) finest security officers. Hearing of his death sent shock through those who knew him as “the big guy”. When I got confirmation I posted it on Turner former employees FB page the comments came instantaneous. The kind words of admiration, respect and love for this gentle giant was so beautiful because everyone has a Doug story. He loved his job, loved his coworkers, loved his creative artistry (and those who purchased his paintings still have them) but most of all, he loved his family. Though we never met her, he loved his daughter Ashley as we all heard and saw the joy in his eyes when he spoke of her. Having just found out days prior to services and COVID-19 we could not be there to support the family and to send off an officer and a gentleman, please know the Turner family grieves with you. Prayers for the Almond family and love ones and may he Rest In Peace.

“ *Oh My Brother-in-Law Doug!*

I am going to miss you. You were such a Big Part of my life. He could fix anything! Whenever I needed him he was right there. What a great example of a man. Doug loved his family they was his world. Vanessa, Markia, Micah and Elle are so blessed to have had him. We always loved for him to fuss at us. Sometimes I would just do something just to get him going. We knew it was out of love. The Birthday, Christmas, and Fathers Day calls will now be prayers that I will be sending up for him. Doug always told me "Bernice if it walk like a duck and quacks like a duck, its a duck! Love you Doug!!!

“ Doug was a good brother in law a good dad granddad and husband to my sister. He was a big part of our family when he came around you knew what to expect out of him he liked to talk and share some good stories. He loved being around his family I remember when he first met our mom my mom took to him so quickly and that's not like my mom to do that but as they got to know each other they both loved each other. He was just that kind of person that if you need to talk to him he was there for you. I just want to thank you Doug for being the great husband father and granddad to your family and taking care of my sister. You will never be forgotten love you!!!!

“ God call his angel home on Sunday, June 14th. Douglas Almond was the greatest son, brother, husband, father, grandfather, and friend anyone would have love to know. I will miss my brother more than words can say. But, as a dear friend told me that Doug left the sickness it did not leave him. Rest on my brother and I will see you on the otherside.

Love you,
