DA

“*Met Doug when he was a student and runner at Delaware State University, a young man who carried himself as one who had respect for others and son's track teammate with a distinguished accent. Our thoughts and prayers are with Dwayne and all the family members both state side and in the Bahamas. So nice to have known Doug, who had a love for running, won many races and endured until the end. We remember the time. May PEACE be with you, always.*
