“ *My condolences in the loss of your dear loved one. The pain of grief we feel when our loved ones die can sometimes be unbearable. The comforting words from our heavenly father Jehovah found at Isaiah 25:8; He (God) will swallow up death forever. And the Sovereign Lord Jehovah will wipe the tears from all faces, and Psalm 34:18; Jehovah is close to the brokenhearted; He saves those who are crushed in spirit, will help you to cope with the grief and sadness now and in the days ahead.*

“ *May Jehovah the God of comfort give you peace during this most difficult time. God promises to remove the pain and heartaches of death (Rev. 21:3,4). Thus Jesus said that we will see them again, he even showed us what he will do when he raised Lazarus and others. As you reflect on Veronica reflect on God's promises. What a precious hope! My most sincerest condolences.*

“ Dear Cal and Family,

*My sincere condolences to you and the family as this beautiful Angel has ascended to her Heavenly home. We know the Bible tells us to be absent from this body, is to be present with the Lord. Oh what a deserving reward she has received. For the times I've had the awesome had privilege just to be in her presence, it never failed to amaze me how she re-energized a renewed hope and faith that we truly are what we present to others. What Veronica presented on every occasion to the world was grace, absolute refinement, a gentle loving spirit, and dignity and class second to none! Just as beautiful inside as she is outside! As much as you and the family can, take comfort in knowing she was a General in God's Army and now she is collecting the benefits! You remain in my deepest thoughts and sincere prayers!*

Dear Cal and family,

*I am so sorry for this loss for you and your family. I know of your deep love for your wife. Your recent story about surprising her with that car trip to the Fried Green Tomatoes location was a reflection of your on-going love for your wife. We're all grieving with you, my friend.*

*Dear Calvin and Family,*

*I know that Veronica is already embracing her new Angels she is assigned to by God to lead over. Oh what a sweet loving, caring spirit she is and of course this assignment had to go to someone special and she was called.*

*At hearing God's voice call her name she anxiously and swiftly answered knowing that she was not leaving her family but moving to a higher calling to help keep watch over you all and is head of the Angels assigned to each of you making sure you get the best of care because she see you from up high or just right beside you (smile).*

*God Bless you and your family in this time of need. Please feel our embracing arms around you as you bless Veronica's crossing over into heaven. We are here when you need us.*
