“ I continue to think about how blessed the world was to have your mom in it. She truly was a gift and a blessing to the world and such an amazing friend. She was so selfless and always thought about others before herself. The love she had for her family - especially Dreamer Josh and Blake was beautiful to witness. As you move on without her, may fond memories always bring a smile to your face. She of course wouldn't have it any other way. Continued prayers. Much love - Lorisa

Here's a poem, I would love to share with Dreamer and Joshua.

SHE IS NOT GONE

*Ease your grief, she is not gone
for in your heart, she lingers on.
Her smile, her laugh, her special way,
Will comfort you, from day to today.*

*You feel her presence in the breeze,
that dance gently, through the trees
and it's her face that you shall see
when you're in need of company.*

*At any time, you can recall,
the love you share. You'll save it all.
And in time more than anything
you'll find peace and remembering.*

My deepest condolences for you. ❤️
