Your smile and spirit ignited a room. I will miss that brother-in-law. I have so many fond memories and we had so many great runs. While I am saddened, you have inspired and helped so many of us. May we make you proud and you make us proud up in the sky! Until we meet again!

“ With deepest Sympathy to the family of Duane Board. I will never forget the friendship we had many years ago nothing but good times with Duane & Renee. We had not been in touch for a while & I thought of him often.

When I searched his name, I found that he had passed. God has another Angel who blessed us all with his kindness, friendship & love. I'll never forget your smile. Rest in heavenly peace.

“ *DB was one of the kindest people you would ever want too meet. He did his job, helped his friends, and always had a smile or a joke for you. No matter how dim life seemed he ALWAYS brought a light of sunshine with his smooth personality and smile. When I first finished Barber School he was one of my clients, lol 😂 and never complained about anything!! RIP 🙏🙏🙏*

“ Family, friends, & coworkers we chit-chat and reminisce BUT DJB was a genuine friend. He was a fruit 🍎 of the spirit person (Galatians 5:22-23). From the beginning to the end (eternal) Duane and I had a bonded of love ❤️ togetherness. We embrace each other with cheek kisses and would say I love you 😘 and theirs nothing you can do about it. So Words will not wipe away your tears 😭 and hugs 🤗 may not ease your pain, but hold on tight to the memories because forever they will remain. The ache in your hearts ❤️ will long remain. 🙏🙏🙏🙏🙏🙏.

So sadly we miss but joy to No that he's rejoicing with his love ones. (No more pain) Love ❤️ forever Gwendolyn Rainwater-Thompson

“ For 28 years I would walk down my driveway to the mailbox. I would look across the street and see Duane either checking his mailbox or getting ready to go for a walk. We had some wonderful conversations. When football season came around Danny and Duane was back and forth talking about the game. These are little moments my husband and I will keep forever in our memory of Duane. Gone but never forgotten he will be forever loved and missed by the Buttrum's family.

“ Duane, thank you for some of the most cherished memories that I have of you during pivotal moments in the lives of each of my children. You visited me after giving birth to my daughter and took care of my son who was a preschooler at the time when I went into labor. Thank you for your kindness and your easy-going nature. I pray that you are at peace now and that you were able to realize the impact that you've had on the lives of so many of us. God Bless, Lisa

“ Renee, my heart goes out to you.
He was an angel on earth and certainly is now watching over you
always. Our hearts are broken but I know he is at peace, walking,
running, breathing freely, smelling the flowers in his garden, and
without an ounce of pain. You were and are the best sister he could
ever had by his side
I am so grateful to have known him as he changed our lives forever.
Love you always ❤️
