“ *Papa, I love you without measure, and you will forever be the love of my life. Words can't describe how heartbroken I am without you here. I miss your smile, your laugh, your walk, your face, your smell; simply your presence, but I will carry you in my heart for the remainder of my days. I love you to the endlessly. ~Tam*

“ *Dwayne was never a stranger. I met him four years ago and he has always been considered a brother from that day. My short time knowing him I learned that he loved to ride, enjoyed being around people, and always had a smile on his face. My brother will be missed but never forgotten. Throttle Hand Up.*
