“ I am so sad to learn of this news today. Emmanuel was a physical therapist that made you want to come in and face the hard parts. He was a bright part of my recovery when every day was miserable with my pain. His jovial personality, cracking jokes, and his oh so beloved Braves will always be remembered. Thank you for sharing your light with those you encountered on your journey of life. I pray your family is comforted during this time.

“ I will miss our fun talks about Braves and off-the-wall stuff during P.T. When I needed P.T. I would beg my doctors to send me to you and your practice. I felt at home and not judged. My whole family will miss you!
Condolences to your wife and family.

“ *I was a patient of Emmanuel and so was mother. He was such a caring person that loved his family and loved what he did for his patients. He always asked “what can I do to make it better”. He truly cared about everyone. He is going to be missed by so many. My thoughts and prayers are with his wife and children. He talked about them all the time. Gone way too soon. Kim N*

I met Emmanuel three days after my shoulder surgery. He made me feel right at home and he worked with me every time I came for therapy . As soon as you walk in the door he greets you with a smile and he always says see you next time . He will be missed. My prayers are with his family.

“ My condolences are with you all. My first time working with Emanuel as my therapist in 2018 and 2021, he had me to stand on the Bosu ball when I started my service for rehab after surgery. My leg was shaking so bad when I got off and it was funny to him because he never seen that happen before. He was a great man from the time I had him as my therapist until a few of his passing as my son therapist. E, you are missed, sleep on my brother sleep on. Fernando Jordan and JaKobe Lowe

“ Emmanuel Perry was my physical therapist. Still seeing his constant smile as he greeted everyone who entered the door. How was your weekend? Did you do anything exciting. Always talking about his wife Britt and kids. Only knowing him for 3 + months he'll be missed. You couldn't help but get pulled in to his enthusiasm for sports, his family, his patients. My sympathies and deepest condolences to his wife and children and family.
