“ *My dear friend and classmate. Casey, you were always such a good friend to me throughout school and we grew up together in church. We were always like family. Even though life took us in different directions and we may not have stayed in touch, I still considered you one of my best and closest friends. You will be truly missed and I pray for peace and comfort for your family. Rest easy my friend, Mitch Fife and family.* ”

“ *God is not only the doctor who mends a broken heart, He is also the Father who wipes away the tears. Sometimes, reaching out and taking someone's hand is the beginning of a journey. At other times, it is allowing another to take yours.*

*Casey Heard was my brother, and my friend, his Sunday School nuggets was always inspirational and a right time word, his songs touched the soul you will truly be missed. with love Sister Clay*

“ I remember sitting with you to get vaccinated as a child. You told me you wasn't going to cry. When the nurse came to you cried as hard as you could. I said Casey its over now, we laughed and went to Dairy Queen.. When I heard you had gone from my sight, tears rolled down my face.
