“ Sharing your sadness as you prepare to say goodbye to your love ones. May the support family and friends be a source of strength and the God of comfort a refuge in your time of need. Truly sorry for your loss.

“ I'm praying with my cousins in the untimely loss of a beautiful spirit. Ebony and I grew up together in Atlanta and we were very close in age. She was like a sister to me. I truly loved Ebony and she will be missed. Love Cousin A. Reynolds.

“ We're going to miss you *Ebony*, as you have joined your beautiful Mother and Big Sister with your Heavenly Wings. May beautiful *Ebony* rest in peace. Last month, we kept postponing our next outing (until this month) and now there will not be a next time "on this side". A daughter, mother, sister, best friend, hard-working overachiever and my Capricorn Queen Sister.

Thank YOU for all of our laughs, serious talks, fun memories and your love all the way back to high school. I never knew Jan 8 would be Celebration of Life instead of celebrating our Birthdays together. May we "remember" to make the MOST of every moment with our family and friends!!!!!!!

A tree is known by her fruits. While I didn't know Ebony Simmons, I have had the pleasure of working with her wonderful son, DaVonte at Atlanta Youth Academy. Please know that we are praying for him at this time and will continue to surround with the love.
