“ *This man messages were a strength to me over the years, I often said many times I'll meet him one day!! And I'll preach at New Birth!! I'll be one of the prophets in his circle. Well only one of those things happened 🙏. I met him in 2014 here in Winston Salem at the Benton Convention Center. It was during the Global United Fellowship's annual conference the gathering. We took a photo together, most of the guys in my family gave me a hard time for that. But I I didn't let that bother me as I knew what GOD said to me, and that was that Eddie Lee Long was and is HIS man. Many prophets have come to me and spoke of the honor I've always maintained for HIM from a distance even when people who were in close proximity turned their backs on him. I'll forever miss this man and who he was and STILL IS to those of us who love him. Bishop we love you, we honor you and we miss you dearly see you in the morning.*

“ My Sincerest Condolences to the Long Family,

As a member of New Birth, my heart is overwhelmed with sadness; however, I know that "All is well with God." It is my prayer that the family find peace in the midst of tribulation relishing the memories of a good life. In the time of darkness and in the midst of sadness, you know that God is still there: in Him you will find strength to continue the work left undone.

My prayers are with you and know that your husband, father, grandfather, and relative was loved, respected, and esteemed by many.

May God continue to bless and keep you,

“ Thank you to Bishop Eddie Long, the Long Family and New Birth Family for sharing such an awesome and anointed person with me and my family. I am thankful that my daughter was a member of New Birth and when she was tragically killed, along with her family Bishop did her eulogy and called me personally to see how I was doing and did not charge us one dime. He said he knew my daughter and he wanted to do this. I shall NEVER forget his act of kindness. Rest in Heaven Bishop and say hello to my family.

“ YOU ARE BLESSED LONG FAMILY. BE IN THAT PEACE....

GET IT TOGETHER MENTALLY AND SPIRITUALLY.

WE ALL HAVE FELL AND WILL FALL. YOUR HUSBAND/DAD MENTALLY TIRED AS

HE MAY HAVE BEEN, WALKED THAT WATER HONEY.

YOU ARE FROM A STRONG AND EMPATHETIC THREAD (EDDIE LONG).

THAT HUMAN HAD A GIFT TO PREACH LIKE WHITNEY HAD A VOICE TO SING.

I'M STILL IN A BIT OF A SHOCK. PERHAPS NOT BECAUSE HE HAS PASSED ON,

BUT I'M THINKING BECAUSE I WON'T SEE HIM WITH HIS STYLE OF DRESS AND

LORD KNOWS THOSE SHOES...THE MAN COULD DRESS !

I'M FROM AND RESIDE IN MI, AND I HAD THE CHANCE TO VISIT NEW BIRTH PERHAPS A DECADE AGO OR SO. I LITERALLY THOUGHT AND FELT I HAD GONE BACK IN TIME TO THE GLADIATOR DAYS AND WAS WITNESSING A MYTHICAL FIGURE SHOW HIMSELF. I WAS BLOWN AWAY!

WITH THE MASSIVE CONGREGATION, MUSIC AND ALL THOSE BEAUTIFUL COLORS IN YOUR CHURCH, I SAID TO MYSELF, "I KNOW THAT MAN IS TIRED. MY GOD..HE'S AN ALIEN BECAUSE I WOULD NOT HAVE THE MENTAL STRENGTH TO KEEP THIS UP...MY LORD THAT MAN IS BLESSED".

*I'M A MEMBER OF 'ANDREW WOMACK MINISTRIES'.
SPIRITUALLY AND MENTALLY I GET WHAT WAS GOING ON
WITH BISHOP LONG, I REALLY, REALLY DO.*

*A HUMAN CAN GIVE, GIVE, GIVE AND GIVE AGAIN BE IT
BUSINESS OR PERSONALLY AND TRUST ME, THE SEVERAL
TIMES HE OR SHE MAY FALL OR LOOK LIKE THEY HAVE
FALLEN, HONEY HERE COMES THE FUNGUS TO REMIND ONE
OF THE DISDAIN INSTEAD OF THE BLESSING HE OR SHE HAS
BEEN OVER TIME.*

'A MAN IS WITHOUT HONOR IN HIS OWN COUNTRY'.

*LONG AND NEW BIRTH FAMILY REST. BE HEALTHY MENTALLY,
SPIRITUALLY AND PHYSICALLY. GET READY, GET READY, GET
READY...YOU ALL ARE GONNA HANDLE YOUR BUSINESS AND
BE A BIGGER BLESSING WITH A LARGER VISION THAN
BISHOP LONG COULD HAVE EVER IMAGINED!!!*

BISHOP EDDIE L. LONG...

*I DIDN'T KNOW YOU PERSONALLY. I DON'T EVEN KNOW ALL
THE DEEDS YOU HAVE BESTOWED ON FOLKS, BE IT
THROUGH PRAYER OR MATERIALLY. BUT I KNOW GOOD
PEOPLE WHEN I SEE THEM. I WATCH AND LISTEN TO
PEOPLE. I WATCH THEIR MANNERISMS AND PICK UP ON
THEIR NETWORKING ABILITIES...HOW THEY INTERACT WITH
OTHERS..ECT....*

YOU WERE GOOD PEOPLE MR....

*I DON'T GIVE ONE HELL WHAT ANYONE, ANYBODY OR
ANYTHING HAD OR HAS TO SAY ABOUT YOU. I GOT YOUR
BACK HERE IN MI.*

AND MARK MY WORDS BISHOP LONG, NEW BIRTH AND LONG FAMILY...

YOU MAY NOT HAVE LIVED LONG ENOUGH TO SEE THIS FOOLISHNESS DO A COMPLETE 360 IN REGARDS TO YOUR NAME AND REPUTATION, BUT TRUST ME, IT WILL.

"WATCH THIS".....,

PER THE LYRICS OF MR. R. KELLY, 'STEP IN THE NAME OF LOVE'.

TELL WHITNEY H. AND BERNIE MAC HI.

AND EAT YOU SOME RIBS AND GET BACK INTO THE GYM.

YOUR GONNA NEED YOUR STRENGTH IN HEAVEN BECAUSE I KNOW YOU HAVE PLANS TO START 'NEW BIRTH' 3.0.

PEACE AND GRACE BISHOP EDDIE L. LONG.....PEACE AND GRACE.

“ Bishop preachings completly changed my life and will impact the course of my descendants life long after I am gone. From understanding how important it is to leave an inheritance to the next generation to storing up wealth in heavenly places and kingdom wealth building on earth. He taught us all this and more. More importantly his teachings taught us how to enter into the presence of God. Under his ministry I have grown I have gained a greater understanding of the kingdom. He opened my eyes, ears and spirit to a loving, forgiving and approachable God. Bishop was my father on earth, my priest, my cover. His voice and everything he said and did will forever be etched in my spirit. Will see him on the other side. RIH dad. Thank you Elder Vanessa Long and thank you to his children for sharing him with us and me personally for 19yrs. My condolences to the entire Long family. May you always be comforted by the Comforter. May the peace of God that surpasses all understanding which guards our hearts and mind in Jesus Christ continually rest upon all of you. Love him and you all forever. Hollis Smith

“ *As I reflect on the life, legacy, and loss of Bishop Eddie Long whom I came to know and love for many years as Pastor and my Spiritual Father , my heart overflows with love . He impacted my life at a very critical time and pointed me in the ministry direction God desired for me. We arrived at 2778 Snapfinger Dr. wounded and spiritually broken from church hurt. Pastor Long through the Word of God and His love of people facilitated the healing that was needed to allow me to not become bitter but instead in Jesus name become better. As I began to experience God, God's love, and a love of God's Word like never before while at New Birth I grew stronger. It wasn't too long after that when I experienced the attack of the enemy on my marriage which ended in my being abandoned and subsequently divorced. It was Pastor Long himself who helped me through the Word of God and advised me to allow myself to heal through ministry to others. He was so right! I was able to get from under the Shame and heartache which comes from being abandoned. He advised me to use my mess for ministry and through the sharing of my testimony God blessed my life abundantly and even allowed me to be found again , married and now 20 years and two beautiful young ladies later I still credit Bishop and New Birth for my being the Woman of God that I am. Bishop may the work that you've done speak for you ! My prayer is that May God be with his family during this time of sorrow .*

“ *God says : He has no respective person. When you are chosen by the almighty above : In a moment, in a twinkle of the "eye". Well somebody ? He preached, he preached ! Only God can "Judge" not man. To the Church : Be encouraged. To the Family : Be strong. To the hurt : Let go and let God. Let God have his way. Bishop E. Long, Thank you for preaching God's words. Amen*

May you all be comforted by these words: "For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens. Therefore we are always confident, knowing that, whilst we are at home in the body, we are absent from the Lord: (For we walk by faith, not by sight)...We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord." 2 Cor. 5:1, 6-8

“ I want to say this truly truly tore my heart up. I really loved Bishop daddy like a dad like really. I called and begged them to tell you that someone in Houston Loved you and was praying for you over and over. They assured me they had. I won't be sad because dad you are with the person you preached about your heart was big as heaven your smile priceless. You my dear were and are Gods chosen. I pray for Mother Vanessa, Your children from your loins and the other countless family we have. Well once you said something so amazing and profound. You said God showed you what death is like. It's like coming back from a long trip from your grandmas house and falling to sleep in the car and your mom taking you to your bed. This gives me piece. I have to say one more thing so u know I was listening to your preaching. One thing God desires is a broken heart and contrite spirit. Love you dad your work is not in vain. Rest

“ I simply love Bishop Eddie L. Long and his family. I KNOW that he is in the presence of the Lord. He has been my Spiritual Father for 21 years and I have been so blessed by his faith and his walk on this earth. I got into a relationship with Jesus Christ through Bishop Long's teaching. I have a wonderful relationship with Jesus/God because of his teaching. I'm so happy to be in the television production ministry at New Birth for about 5 years now and will continue. Thank you to first lady Vanessa Long for loaning him out to us. Thank you to all of his children and grand children for allowing him to pastor us. Bishop Long has helped me in many ways. Too many for me to write down.

I remember when Bishop Long told us that when he was young he broke his leg and how his Mother gave him castor oil because she was from the old school and she felt it would heal his leg quicker. I was floored when Bishop then said how he was hopping too and from the bathroom..he even demonstrated it! :o)..that was his humor and his wit...

To be absent from the body is to be present with the Lord...Rest on Bishop Long...Rest on...

My prayers are with your family and loved ones you left behind...R.I.P.

“ *As I reflect on the life, legacy, and loss of Bishop Eddie Long whom I came to know and love for many years as Pastor and my Spiritual Father , my heart overflows with love . He impacted my life at a very critical time and pointed me in the ministry direction God desired for me. We arrived at 2778 Snapfinger Dr. wounded and spiritually broken from church hurt. Pastor Long through the Word of God and His love of people facilitated the healing that was needed to allow me to not become bitter but instead in Jesus name become better. As I began to experience God, God's love, and a love of God's Word like never before while at New Birth I grew stronger. It wasn't too long after that when I experienced the attack of the enemy on my marriage which ended in my being abandoned and subsequently divorced. It was Pastor Long himself who helped me through the Word of God and advised me to allow myself to heal through ministry to others. He was so right! I was able to get from under the Shame and heartache which comes from being abandoned. He advised me to use my mess for ministry and through the sharing of my testimony God blessed my life abundantly and even allowed me to be found again , married and now 20 years and two beautiful young ladies later I still credit Bishop and New Birth for my being the Woman of God that I am. Bishop may the work that you've done speak for you ! My prayer is that May God be with his family during this time of sorrow .*

“ My Bishop Eddie Long, was to me, Godly man of grace, obedience, love, mercy, and life!!! As a woman of God, when I first heard him preach for the first time on the Gospel channel. I said, what a man of God. The "POWER" in which he preached my father's word was simply "FIRE." I listened, to him every Sunday morning, while I dressed for my Sunday service in New York. When I moved to Atlanta, GA in 2002 to study, my mission was to find the Ministry. I resided, in Gwinnett county, and an Angel directed my path to the ministry. I am proud to still be a member and will always be a member of New Birth. Although I relocated back to New York. Bishop, I know you have Heaven on fire!! I will miss you but know that you are my Angel watching over me and the world!! Rest In Peace. Love you!

Although I didn't know him personally, it felt like I had just lost a family member. To the Long family I send my deepest sympathy and condolences to each of you. Bishop Long Legacy will live on. May God bless each of you, My wish would be just to see him preach once again and meet him in person. An angel has gone home to take his rest.*

My parents grew in the Lord due to us being members of New Birth and watching the Broadcast every Sunday Night. I remember the first time I heard my day say "watch this" and he had the biggest smile on his face. Their relationship with God went to another level right there in Salem, Al because you preached Truth. My father went home to be with the Lord but my mom visited the church and remained one of your cheerleaders until your end here on earth. “ I am saddened by the loss of Bishop Eddie Long. I had the wonderful chance of meeting Bishop Long when he came to our church in Pittsburgh, CA. His prophetic ministry changed the course of my life. I loved how he empowered us as his congregation to do something different in life. He empowered us to be who God designed us to be. The transparent moments that he shared during a sermon, were the healing balm I needed to carry on. I am grateful for his life and legacy. Elder Vanessa and Family, I am praying for you. New Birth Lithonia, you are in my prayers. I believe that God will comfort, strengthen, and keep you all in a very special way. He promised. Thank you Elder Vanessa for sharing him with the world. My life and church (New Birth- Pittsburgh, Oakland) became even better because of him.

“ *Prayers for Special Help When Tomorrow Starts Without Me* When tomorrow starts without me And I'm not there to see; If the sun should rise and find your eyes All filled with tears for me. I wish so much you wouldn't cry The way you did today; While thinking of the many things We didn't get to say. I know how much you love me As much as I love you; And each time that you think of me, I know you'll miss me too. But when tomorrow starts without me Please try to understand, That an angel came and called my name And took me by the hand. She said my place was ready In heaven far above; And that I'd have to leave behind, All those I dearly love. But as I turned to walk away, A tear fell from my eye; For all my life, I'd always thought I didn't want to die. I had so much to live for, So much yet to do; It seemed almost impossible, That I was leaving you. I thought of all the yesterdays, The good ones and the bad; I thought of all the love we shared, And all the fun we had. If I could relive yesterday Just even for awhile, I'd say goodbye and kiss you And maybe see you smile. But then I fully realized That this could never be; For emptiness and memories Would take the place of me. And when I thought of worldly things I might miss come tomorrow; I thought of you, and when I did, My heart was filled with sorrow. But when I walked through heaven's gates I felt so much at home; When God looked down and smiled at me From His great golden throne. He said, "This is eternity And all I've promised you; Today your life on earth is past, But here it all starts anew." "I promise no tomorrow, But today will always last; And since each day's the same day, There's no longing for the past." "But you have been so faithful, So trusting and so true; Though at times you did do things, You knew you shouldn't do." "But you have been forgiven And now at last you're free; So won't you take my hand And share my life with me?" So when tomorrow starts without me, Don't think we're far apart For every time you think of me, I'm right here in your heart. - See more at:

I know how much you love me As much as I love you; And each time that you think of me, I know you'll miss me too. But when tomorrow starts without me Please try to understand, That an angel came and called my name And took me by the hand. She said my place was ready In heaven far above; And that I'd have to leave behind, All those I dearly love. But as I turned to walk away, A tear fell from my eye; For all my life, I'd always thought I didn't want to die. I had so much to live for, So much yet to do; It seemed almost impossible, That I was leaving you. I thought of all the yesterdays, The good ones and the bad; I thought of all the love we shared, And all the fun we had. If I could relive yesterday Just even for awhile, I'd say goodbye and kiss you And maybe see you smile. But then I fully realized That this could never be; For emptiness and memories Would take the place of me. And when I thought of worldly things I might miss come tomorrow; I thought of you, and when I did, My heart was filled with sorrow. But when I walked through heaven's gates I felt so much at home; When God looked down and smiled at me From His great golden throne. He said, "This is eternity And all I've promised you; Today your life on earth is past, But here it all starts anew." "I promise no tomorrow, But today will always last; And since each day's the same day, There's no longing for the past." "But you have been so faithful, So trusting and so true; Though at times you did do things, You knew you shouldn't do." "But you have been forgiven And now at last you're free; So won't you take my hand And share my life with me

“ I remember as a teenager at the 2778 location the choir had to sing that morning at a hotel that Bishop had to minister at. Once we (the choir) got to the hotel as I and some others were walking in I saw dad talking to someone, I started to walk past him then he stopped me and said "girl don't you walk pass me and not say hey"! Then I said " dad you were talking" he said "I'll stop talking for you now come give me my hug"... Then he knocked on my forehead as he'd do from time to time and he said " Is anybody home" lol... That day was an experience. Oh how I'm going to miss my spiritual father, my dad. You fought a good fight dad I love you dearly and I miss you!!! Rest well Bishop you deserve it....I promise you dad I'll make you proud and I'll always carry you in my heart, thank you!

“Wow. So surreal. I remember the kindness Bishop showed to me in 1997 when I first joined NB. I went to him after a sermon and shared some recent traumatic situation in my life. He hugged me and encouraged me greatly. Then weeks later he saw me in the crowd and called me to him and again encouraged me . I never forgot his kindness. Condolences to Lady Vanessa and the family.
